A meeting of the Board of Trustees was held in Dean's Hall of The Penn Stater Hotel and Conference Center, State College, PA, in person and via video conference, at 1:30 p.m. on Friday, May 7, 2021.

The following Trustees were present: Schuyler (chairman), Kleppinger (vice chairman), Barron, Amorós, Black, Brown, Casey, Cotner, Culler, Dambly, Dandrea, Delligatti, Detwiler, Dietrich, Doran, Dunn, Fenza, Han, Harpster, Hartzler, Hoffman, Lubrano, Oldsey, Ortega, Paterno, Pope, Potts, Rakowich, Rapp, Redding, Schneider, Short, Stanell, Tribeck, and Wagman. The Governor's non-voting representative, Mr. Shipley, was in attendance.

Chair Schuyler stated this was the first hybrid meeting of the Board of Trustees and the first time the Board has met at University Park since February 2020. He acknowledged the hard work by President Barron, administration, faculty, and staff to continue Penn State's mission of teaching, research, and learning during the pandemic and the Back to State plans for fall. Chair Schuyler thanked Trustees participating in the weekend's commencement ceremonies, congratulated the graduates and welcomed incoming students. The Presidential Recruitment and Selection Committee, working with Spencer Stuart, will create and publicize a job description and commence a search starting in June. Chair Schuyler noted the search will not begin until there is guidance from the Next Gen Penn State listening phase to establish position criteria, that they are committed to achieving a diverse pool of outstanding candidates, the review and selection process will not be determined until the Recruitment and Selection Committee has met to establish the criteria and approach, and the listening phase will continue with ongoing opportunities for engagement.

Chair Schuyler introduced new colleagues as a result of Faculty Senate elections: Bonj Sczcygiel, chair; Maureen Jones, chair-elect, and Lisa Mangel, secretary. He thanked outgoing Faculty Senate chair Beth Seymour for her service. Section 7.03 Fiscal Year. The fiscal year of the University shall end on June 30 or on such other day as shall be fixed by the Board of Trustees.

Section 7.04 Private Inurement. No part of the net earnings of the University shall inure to the benefit of, or be distributable to, its Trustees, officers or other private persons, except that the University shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth in these Bylaws and the University's Charter.

ARTICLE VIII

CONFLICTS OF INTEREST

Section 8.01 Definitions. For purposes of Sections 8.01 – 8.11 hereof, the following terms shall have the meanings set forth below.

(a) **Conflict of Interest.** A “conflict of interest” exists when a reasonable observer, having knowledge of all of the relevant facts and circumstances, would conclude that a Trustee has an actual or apparent conflict of interest in a matter related to the University. In

addition to financial conflicts of interest, a conflict of interest includes a situation in which a Trustee, family member or related entity has an interest that may lead the Trustee to act in a way that is incompatible with or a breach of the Trustee's fiduciary duty to the institution or use such Trustee's role to achieve personal gain or benefit or gain or benefit to family, friends or associates.

(b) Family Member. A "family member" means a Trustee's spouse or dependent child.

(c) Financial Conflict of Interest. A "financial conflict of interest" exists when a Trustee, a family member or related entity has an actual or potential financial interest in a matter (i) that is pending before the Board for discussion or vote or (ii) in which the Trustee or a family member is personally involved. A financial conflict of interest does not include a student or employment relationship of a family member.

(d) Related Entity. A "related entity" means a corporation, partnership, association or other entity where the Trustee or family member serves as an officer, director, partner or employee; expects to receive \$5,000 or more in compensation for services in a calendar year; holds any equity in a non-publicly traded entity; or holds an interest of 5% or more in a publicly traded entity.

(e) Known. "Known" means that the Trustee has actual knowledge of the conflict of interest.

(f) Board. "Board" includes any standing or ad hoc committee of the Board.

(g) Disclose or Disclosure. "Disclose" or "disclosure" means to provide a brief summary of the transaction, agreement or business arrangement and the Trustee's financial or other interest.

(h) For purposes of this Article VIII, the term “University” includes all direct and indirect subsidiaries thereof.

Section 8.02 Disclosure. Each Trustee must disclose in writing to the Office of the Board of Trustees and to the Chair of the Board all situations that involve actual or apparent conflicts of interest if and as the conflict of interest becomes known to such Trustee.

Section 8.03 Annual Disclosure. In addition to other annual disclosures required by law or policy, each Trustee must disclose annually and in writing to the Secretary of the Board all conflicts of interest that are known to such Trustee. The annual disclosures of known conflicts of interest will be publicly available upon request.

Section 8.04 Recusal. If a matter in which a Trustee has a known conflict of interest comes before the Board for discussion or decision, the interested Trustee shall leave the Board meeting while the matter is discussed and voted upon. The Trustee’s interest and recusal shall be noted in the minutes, which shall be publicly available.

Section 8.05 Contracts or Transactions with the University. (a) A contract or transaction between the University and a Trustee, family member or an entity in which a Trustee or family member has a beneficial interest of ten percent (10%) or more and the contract or transaction is valued at \$10,000 or more must be approved by the Board of Trustees in accordance with this Section. The University official responsible for the matter must first conclude that it is in the best interests of the University to consider entering into such a contract or transaction. In circumstances where the Trustee, family member or related entity is purchasing goods or services from the University, as opposed to selling such goods or services, the matter is presumptively in the University’s interests if the price is fair and reasonable and the contract or transaction does not foreclose a similar transaction with another individual or entity. In other circumstances where the

University is purchasing goods or services, the officer must first explore alternatives that do not involve an interest of the Trustee, family member or entity in which the Trustee or family member owns a beneficial interest of ten percent (10%) or more. If, after exercising such due diligence, the official determines that it is in the best interests of the University to proceed, the matter must be submitted to the Board for approval. The written materials submitted to the Board shall include a description of the contracting process, including the use of open and public bidding if possible and practical, and the official's analysis of why it is in the best interests of the University to proceed with the agreement or relationship. The interested Trustee shall leave the meeting during the discussion and voting. The Board shall determine by a majority vote of the disinterested Trustees whether the transaction or arrangement is in the University's best interests, the price and value provided are fair and reasonable to the University and whether to approve the transaction or arrangement. Any such decision shall be recorded in the minutes, which shall be publicly available.

(b) Contracts or transactions of less than \$10,000 between the University and a Trustee, family member or an entity in which the Trustee or a family member has a beneficial interest of ten percent (10%) or more will be disclosed to the Board of Trustees annually in a written report which shall be available to the public. The report shall include a certification by the appropriate officers of the University that such contracts or transactions were made in the normal course of business and were fair to the University.

Section 8.06 Annual Statements. Each Trustee shall annually sign a statement that affirms that such Trustee (a) has received a copy of the Board's conflict of interest policy as expressed in this Article VIII, (b) has read and understands the policy, and (c) has agreed to comply with the policy.

Section 8.07 Fiduciary Duty. Members of the Board of Trustees stand in a fiduciary relationship to the University which reposes special confidence in each member. Members of the Board of Trustees shall act in good faith, with due regard to the interests of the University, and shall comply with the fiduciary principles of conduct in addition to any other state or federal requirements. Trustees bring to their roles varied backgrounds and expertise, and they are selected in different ways, but they must keep the welfare of the entire University, not just a particular constituency, at all times paramount.

Section 8.08 Misuse of Information. No member of the Board of Trustees shall for personal gain or benefit or for the gain or benefit of others use any information not available to the public at large and obtained as a result of service to the University.

Section 8.09 Gifts and Favors. No member of the Board of Trustees shall solicit or accept for personal use or for the use of others any gift, loan, gratuity, reward, promise of future employment or any other thing of monetary value based on any understanding that the vote, official action or judgment of the member would be influenced thereby.

Section 8.10 Pre-Existing Contract or Transaction. A contract or transaction that would be required to be disclosed under this Article but which was entered into before the interested Trustee assumed office, or which became subject to this Article as a result of amendments to the Article, and which remains to be performed in whole or in part, shall be disclosed by the Trustee pursuant to Section 8.03 but is not subject to the voting and other requirements of this Article.

Section 8.11 Family Members as Employees. A record of all spouses or dependent children of Trustees who are employed by the University or an affiliated entity and where compensation exceeds \$10,000 per year shall be maintained in the Office of the Board of

Trustees and the names and positions but not the amount of compensation shall be posted on the University's public website.

Section 8.12 Employment of Trustees. No Trustee may be employed by the University in any capacity before the fifth (5th) anniversary of the date on which such person last served as a Trustee, except as approved by action of the Board of Trustees.

Section 8.13 Disclosure of Potential Conflict of Interest by Employees of the University. Employees of the University shall exercise the utmost good faith in all transactions touching upon their duties to the University and its property. In their dealings with and on behalf of the University, they shall be held to a strict rule of honest and fair dealings between themselves and the University. They shall not use their positions, or knowledge gained therefrom, in such a way that a conflict of interest might arise between the interest of the University and that of the individual. Employees shall disclose to the administrative head of the college or other unit in which they are employed, or other appropriate superior officer, any potential conflict of interest which they are aware before a contract or transaction is consummated. This bylaw shall be published to the University community at least once annually.

Section 8.14 Consultation. Any Trustee or University official may consult with the Secretary of the Board or the University General Counsel concerning the interpretation or application of any of the provisions of Article VIII.

ARTICLE IX

Making Penn State More Affordable

A Discussion with the Board of Trustees
May 7, 2021

PennState

Levers to Make Penn State More Affordable

- Controlling the Cost of Attendance (Tuition, Fees, Room and Board)
- Federal, State and Private Aid
- Institutional Aid
 - Scholarships and Awards
 - Growing Institutional Funds through Tuition
 - Philanthropic Support (time to degree; scholarship campaigns)
 - Academic Advising Support
- Frontier: Food and Housing Insecurity
- Financial Literacy and Transparency

Controlling the Cost of Attendance

Controlling the Cost of Attendance

- Multiple years of frozen in-state tuition (**7th in the AAU for lowest increases** in in-state tuition over the last 10 years).
- 0% increases were set in 2020-21 and tuition was lowered for summer 2020 in acknowledgement of pandemic-related financial hardship.
- Budget reductions and reallocations are a continuing effort (e.g. with recent Board agreement to save \$150M and split savings between innovation and affordability).
- **Calculated in FY21 dollars, in-state students are now paying less tuition for their Penn State education than they were in 2011-2012.**
- For in-state students, avoidance of a 2% annual tuition increase would save between \$900 and \$1,100 in the cost of a degree (4 years).

Alternative to tuition freeze by growing institutional funds

- Consider 2% tuition increases annually – increase in total cost of four-year degree for in-state students is \$900 to \$1,100.
- Apply 1% of total increase in income to need-based students:
 - 6,000 students net \$2,000 – so total cost of a four-year degree decreases by \$1,000.
- Grows institutional funds \$12M+ a year.
- Used by other institutions but not yet at Penn State.

Time to Degree

Time to degree is a major factor in increased student debt:

- 4.3 years to completion adds \$5,600 in debt compared to 4 years or less to graduation.
- 6-year graduation rate adds approximately \$12,000 to student debt.

5% higher term GPA and 8% higher pass rate when student concerns were addressed

Academic Advising: Using Technology to Improve Effectiveness

- The required rapid shift to virtual advising has led to expanded usage of Starfish for proactive scheduling, meeting, and identifying at risk students.
- Students can self identify by “raising their hand” to indicate they need an adviser to follow-up; 1,200+ students unable to return to campus this fall have used this function to find alternatives (i.e. World Campus, transferring to campus closer to home).
- Students now have flexible options to meet in person or virtually with advisers scheduling through Starfish.

Frontier – Food and Housing Insecurity

Food Insecurity is an Issue Across Penn State

- 35% of students reported food insecurity
- Food insecurity varied widely by campus location
- Over 40% of students at Abington and Altoona reported food insecurity
- Over 30% of University Park respondents reported food insecurity

Source: CORE Prevention Center, College of Health and Human Development

Recommendations to Address Food and Housing Insecurity

- Infrastructure to focus on identifying and supporting students in need.
- Develop programs for food insecurity prevention and response.
- Establish a permanent Student Emergency Fund.
- Provide funding to address housing insecurity, including emergency needs.
- Advocacy for policies on local, state and federal levels.

Food insecurity prevention and response programs

- All Penn State residential campuses hosted Swipe Out Hunger from April 19-23, which allowed students to donate dining dollars to students in need.
- Other recommendations: Enhanced Lion Pantry management and offerings; bulk purchasing program; develop a sustainable funding model; and a food notification app.

- Other universities have utilized tuition increases to support growing investment in scholarships.
- Food and Housing Insecurity is a growing challenge.
- Interest in Financial Literacy and Transparency programs is also growing.
