A meeting of the Committee on Outreach, Development, and Community Relations was held on February 23, 2017, in room 106 of the Penn Stater Conference Center Hotel at 1:00 p.m.

The following committee members, constituting a quorum, were present: Chair Ryan McCombie, Vice Chair Kay Salvino, David Kleppinger, and Bob Jubelirer. Emeritus committee member Joel Myers was also present.

The following staff members, constituent representatives, or invitees were also present: Eric Barron, Rich Bundy, Paul Clifford, John Ilie, Tracey Huston, Lawrence Lokman, Zack Moore, Pavel Shusharin, and Ann Taylor.

Chair McCombie called the meeting to order. The Minutes of the September 15, 2016 and November 3, 2016 meetings were approved unanimously.

Lawrence Lokman, along with Tracy Powell and Rachel Pell, provided a presentation on University marketing, the proactive side of communications with an emphasis on showcasing excellence. Lawrence also talked about Strategic Communications' efforts in reputation building, enrollment marketing, and taking opportunities to market in a way that helps students and alumni nurture Penn State pride and attachment.

Tracy Powell gave a presentation on brand building, and mentioned that strategies are based off of a survey given to thousands of people associated with Penn State. Survey results indicated that Penn State had strong numbers in pride and quality of the institution, and many saw opportunities to improve unique qualities. The committee was then shown commercials for Penn State that have been aired nationwide, as well as social media ads targeting alumni and prospective students.

Rachel Pell provided the committee with information regarding earned engagement and her team's endeavor to raise Penn State's national and global media profile by publicizing research done by Penn State. Researchers on campus have been featured prominently in major publications such as the New York Times, Huffington Post, and other top-tier news outlets.

Zack Moore and Paul Clifford gave a presentation about the upcoming Capital Day. Paul and Zack's departments have collaborated to create ways to help Penn Staters advocate for the University, in ways that are in line with Penn State's legislative goals. Increased participation by alumni and Board members is strongly encouraged, and having a large impact in Harrisburg has the potential to influence legislation.

Rich Bundy, Renata Engel, and Tracey Huston provided brief updates about their departments. Rich provided the committee an update on the progress of the Campaign, and Tracey and Renata gave updates on their interim roles within Outreach and Online Education while the search continues for someone to fill the role permanently.
The meeting adjourned at 2:30 p.m.
