(b) Nature and Extent of Rights. The provisions of this Section shall be deemed to be a contract with each Trustee of the University who serves as such at any time while this Section is in effect and each such Trustee shall be deemed to be so serving in reliance on the provisions of this Section. Any amendment or repeal of this Section or adoption of any Bylaw or provision of the Articles of the University which has the effect of increasing Trustee liability shall operate prospectively only and shall not affect any action taken, or any failure to act, prior to the adoption of such amendment, repeal, Bylaw or provision.

**Section 4.02 Indemnification.**

(a) Right to Indemnification.

(i) As used herein, the word “Action” shall mean any action, suit or proceeding, administrative, investigative or other, (i) to which such person is a party (other than an action by the University) or (ii) in connection with which such person is not a party but is a witness, subject to investigation or otherwise involved, in either case by reason of such person being or having been a Trustee or officer of the University or by reason of such person serving or having served at the request of the University as a director, officer, employee, fiduciary or other representative of another corporation, partnership, joint venture, trust, employee benefit plan or other entity.

(ii) Except as prohibited by law, each Trustee and officer of the University shall be entitled as of right to be indemnified by the University against expenses and any liability paid or incurred by such person (i) in the defense of any Action to which such person is a party or (ii) in connection with any other Action.

(iii) A person who is not a Trustee or officer of the University may be similarly indemnified in respect of service to the University to the extent the Board of Trustees at

any time designates such person as entitled to the benefits of this Section. The Board of Trustees has delegated to the Vice President and General Counsel the authority to make the determination, after consideration of relevant facts and circumstances, as to whether a person who is not a Trustee or officer of the University shall be indemnified in respect of his or her service to the University pursuant to this paragraph.

**(iv)** As used in this Section, “indemnitee” shall include each Trustee and each officer of the University and each other person designated by the Board of Trustees as entitled to the benefits of this Section; “liability” shall include amounts of judgments, excise taxes, fines, penalties and amounts paid in settlement; and “expenses” shall include fees and expenses of counsel incurred by the indemnitee only (i) if the University has not at its expense assumed the defense of the Action on behalf of the indemnitee with reputable and experienced counsel selected by the University, or (ii) if it shall have been determined pursuant to Section (c) hereof that the indemnitee was entitled to indemnification for expenses in respect of an Action brought under that Section.

**(b)** Right to Advancement of Expenses. Every indemnitee shall be entitled as of right to have his expenses in defending any Action paid in advance by the University, as incurred; provided, however, that the University receives a written undertaking by or on behalf of the indemnitee to repay the amount advanced if it should ultimately be determined that such person’s conduct was such that the University is prohibited by law from indemnifying such person.

**(c)** Right of Indemnitee to Initiate Action; Defenses.

**(i)** If a written claim under paragraph (a) or paragraph (b) of this Section is not paid in full by the University within thirty days after such claim has been received by

the University, the indemnitee may at any time thereafter initiate an action to recover the unpaid amount of the claim and, if successful in whole or in part, the indemnitee shall also be entitled to be paid the expense of prosecuting such action.

**(ii)** The only defenses to an action to recover a claim for indemnification otherwise properly asserted under paragraph (a) shall be that the indemnitee's conduct was such that under applicable law the University is prohibited from indemnifying the indemnitee for the amount claimed, but the burden of proving any such defense shall be on the University.

**(iii)** The only defense to an action to recover a claim for advancement of expenses otherwise properly asserted under paragraph (b) shall be that the indemnitee failed to provide the undertaking required by paragraph (b), but the burden of proving any such defense shall be on the University.

## ARTICLE VIII

### CONFLICTS OF INTEREST

**Section 8.01 Definitions.** For purposes of Sections 8.01 – 8.11 hereof, the following terms shall have the meanings set forth below.

(a) **Conflict of Interest.** A “conflict of interest” exists when a reasonable observer, having knowledge of all of the relevant facts and circumstances, would conclude that a Trustee has an actual or apparent conflict of interest in a matter related to the University. In addition to financial conflicts of interest, a conflict of interest includes a situation in which a Trustee, family member or related entity has an interest that may lead the Trustee to act in a way that is incompatible with or a breach of the Trustee's fiduciary duty to the institution or use such Trustee's role to achieve personal gain or benefit or gain or benefit to family, friends or associates.

(b) **Family Member.** A “family member” means a Trustee's spouse or dependent child.

(c) **Financial Conflict of Interest.** A “financial conflict of interest” exists when a Trustee, a family member or related entity has an actual or potential financial interest in a

matter (i) that is pending before the Board for discussion or vote or (ii) in which the Trustee or a family member is personally involved. A financial conflict of interest does not include a student or employment relationship of a family member.

**(d)** Related Entity. A “related entity” means a corporation, partnership, association or other entity where the Trustee or family member serves as an officer, director, partner or employee; expects to receive \$5,000 or more in compensation for services in a calendar year; holds any equity in a non-publicly traded entity; or holds an interest of 5% or more in a publicly traded entity.

**(e)** Known. “Known” means that the Trustee has actual knowledge of the conflict of interest.

**(f)** Board. “Board” includes any standing or ad hoc committee of the Board.

**(g)** Disclose or Disclosure. “Disclose” or “disclosure” means to provide a brief summary of the transaction, agreement or business arrangement and the Trustee’s financial or other interest.

**Section 8.02 Disclosure.** Each Trustee must disclose in writing to the Office of the Board of Trustees and to the Chair of the Board all situations that involve actual or apparent conflicts of interest if and as the conflict of interest becomes known to such Trustee.

**Section 8.03 Annual Disclosure.** In addition to other annual disclosures required by law or policy, each Trustee must disclose annually and in writing to the Secretary of the Board all conflicts of interest that are known to such Trustee. The annual disclosures of known conflicts of interest will be publicly available upon request.

**Section 8.04 Recusal.** If a matter in which a Trustee has a known conflict of interest comes before the Board for discussion or decision, the interested Trustee shall leave the

Board meeting while the matter is discussed and voted upon. The Trustee's interest and recusal shall be noted in the minutes, which shall be publicly available.

**Section 8.05 Contracts or Transactions with the University..** (a) A contract or transaction between the University and a Trustee, family member or an entity in which a Trustee or family member has a beneficial interest of ten percent (10%) or more and the contract or transaction is valued at \$10,000 or more must be approved by the Board of Trustees in accordance with this Section. The University official responsible for the matter must first conclude that it is in the best interests of the University to consider entering into such a contract or transaction. In circumstances where the Trustee, family member or related entity is purchasing goods or services from the University, as opposed to selling such goods or services, the matter is presumptively in the University's interests if the price is fair and reasonable and the contract or transaction does not foreclose a similar transaction with another individual or entity. In other circumstances where the University is purchasing goods or services, the officer must first explore alternatives that do not involve an interest of the Trustee, family member or entity in which the Trustee or family member owns a beneficial interest of ten percent (10%) or more. If, after exercising such due diligence, the official determines that it is in the best interests of the University to proceed, the matter must be submitted to the Board for approval. The written materials submitted to the Board shall include a description of the contracting process, including the use of open and public bidding if possible and practical, and the official's analysis of why it is in the best interests of the University to proceed with the agreement or relationship. The interested Trustee shall leave the meeting during the discussion and voting. The Board shall determine by a majority vote of the disinterested Trustees whether the transaction or arrangement is in the University's best interests, the price and value provided are fair and reasonable to the

University and whether to approve the transaction or arrangement. Any such decision shall be recorded in the minutes, which shall be publicly available.

(b) Contracts or transactions of less than \$10,000 between the University and a Trustee, family member or an entity in which the Trustee or a family member has a beneficial interest of ten percent (10%) or more will be disclosed to the Board of Trustees annually in a written report which shall be available to the public. The report shall include a certification by the appropriate officers of the University that such contracts or transactions were made in the normal course of business and were fair to the University.

**Section 8.06 Annual Statements.** Each Trustee shall annually sign a statement that affirms that such Trustee (a) has received a copy of the Board's conflict of interest policy as expressed in this Article VIII, (b) has read and understands the policy, and (c) has agreed to comply with the policy.

**Section 8.07 Fiduciary Duty.** Members of the Board of Trustees stand in a fiduciary relationship to the University which reposes special confidence in each member. Members of the Board of Trustees shall act in good faith, with due regard to the interests of the University, and shall comply with the fiduciary principles of conduct in addition to any other state or federal requirements. Trustees bring to their roles varied backgrounds and expertise, and they are selected in different ways, but they must keep the welfare of the entire University, not just a particular constituency, at all times paramount.

**Section 8.08 Misuse of Information.** No member of the Board of Trustees shall for personal gain or benefit or for the gain or benefit of others use any information not available to the public at large and obtained as a result of service to the University.

**Section 8.09 Gifts and Favors.** No member of the Board of Trustees shall solicit or accept for personal use or for the use of others any gift, loan, gratuity, reward, promise of future employment or any other thing of monetary value based on any understanding that the vote, official action or judgment of the member would be influenced thereby.

**Section 8.10 Pre-Existing Contract or Transaction.** A contract or transaction that would be required to be disclosed under this Article but which was entered into before the interested Trustee assumed office, or which became subject to this Article as a result of amendments to the Article, and which remains to be performed in whole or in part, shall be disclosed by the Trustee pursuant to Section 8.03 but is not subject to the voting and other requirements of this Article.

**Section 8.11 Family Members as Employees.** A record of all spouses or dependent children of Trustees who are employed by the University or an affiliated entity and where compensation exceeds \$10,000 per year shall be maintained in the Office of the Board of Trustees and the names and positions but not the amount of compensation shall be posted on the University's public website.

**Section 8.12 Employment of Trustees.** No Trustee may be employed by the University in any capacity before the fifth (5th) anniversary of the date on which such person last served as a Trustee, except as approved by action of the Board of Trustees.

**Section 8.13 Disclosure of Potential Conflict of Interest by Employees of the University.** Employees of the University shall exercise the utmost good faith in all transactions touching upon their duties to the University and its property. In their dealings with and on behalf of the University, they shall be held to a strict rule of honest and fair dealings between themselves and the University. They shall not use their positions, or knowledge gained

therefrom, in such a way that a conflict of interest might arise between the interest of the University and that of the individual. Employees shall disclose to the administrative head of the college or other unit in which they are employed, or other appropriate superior officer, any potential conflict of interest which they are aware before a contract or transaction is consummated. This bylaw shall be published to the University community at least once annually.

**Section 8.14 Consultation.** Any Trustee or University official may consult with the Secretary of the Board or the University General Counsel concerning the interpretation or application of any of the provisions of Article VIII.

## **ARTICLE IX**

### **AMENDMENTS**

**Section 9.01 Amendments.** These Bylaws may be amended, altered or repealed, and new bylaws may be adopted, by the Board of Trustees at any regular or special meeting. Except as specifically set forth in Section 4.01, no provision of these Bylaws shall vest any property or contract right in any person.
