2) Proposed Reauthorization to Expend Funds, Hetzel Union Building Addition and Renovation, University Park

Construction of a 54,800 square foot addition and 52,000 square foot renovation to the Hetzel Union Building (HUB) began in May of 2013 following Board of Trustees approval of final plans. The project was authorized at the May 2013 board meeting at a cost of $44,600,000.

The HUB is being expanded and renovated to enhance a variety of student related activity and service spaces, to expand and organize retail operations, to modernize infrastructure systems, and to enhance the accessibility and architecture of the building from the east and HUB Lawn sides. Due to cost increases, which exceed the original authorization plus 10%, reauthorization is requested from the Board of Trustees for a total project budget of $50.8 million.

Several factors contributed to the cost increases: There were a significant number of unforeseen conditions associated with the existing building structure/ foundations and other subsurface conditions. There was an unusually high amount of rain during 2014, which delayed the work. Other factors included University requested scope increases to the project such as upgrading food service equipment, expansion of support areas, upgrades in the building finishes and furniture, adding a café in the new Bookstore mezzanine, enhanced energy conservation measures, and enhancements to audio visual, security, and other building systems.

Funding for the extra work will come from a combination of Student Facility Fee, HUB, Food Service and Bookstore reserves, along with energy savings and major maintenance funding.

Will the Board of Trustees adopt the following resolutions:

WHEREAS, the construction cost of the Hetzel Union Building Addition and Renovation has increased by $6.2 million above the originally authorized amount of $44.6 million.

RESOLVED, that the authorization to expend funds to accomplish the project is increased to $50,800,000.
3) **Proposed Extension of Development Services Agreement with the Research Park Management Corporation**

On March 29, 1990, The Pennsylvania State University and the Research Park Management Corporation (RPMCo), a wholly owned subsidiary of the Corporation for Penn State, entered into a Development Services Agreement by which The Pennsylvania State University, owner of the Research Park (now known as “Innovation Park at Penn State”), retained the services of the Research Park Management Corporation to manage, supervise, and coordinate the development of the research park in accordance with the terms of the agreement. In November 2004, the Board of Trustees approved a 10-year extension of the Development Services Agreement, which shall terminate on November 30, 2014.

In order to continue the ongoing development of Innovation Park at Penn State, The Pennsylvania State University has requested that the term of the Development Services Agreement with the Research Park Management Corporation be extended for an additional five (5) year period. All other terms of the Development Services Agreement shall remain unchanged.

Will the Board of Trustees adopt the following resolutions:

RESOLVED, That the Board of Trustees approves the extension of the Development Services Agreement between the University and the Research Park Management Corporation (RPMCo), whereby RPMCo provides management, supervision and coordination of development at Innovation Park, to November 30, 2019.

FURTHER BE IT RESOLVED, That the Officers of the University are authorized to take such steps as are necessary to make effective this resolution.

4) **Proposed Appointment of a Design Build Team, East Halls Renovation and New Residence Hall, University Park**

The Subcommittee on Architect/Engineer Selection will make a report and recommendation on the appointment of a design build team for the renovation of East Halls and a new residence hall at East Halls, University Park.

5) **Proposed Final Plans and Authorization to Expend Funds, Greenberg Indoor Sports Complex Renovation, University Park**

Multiple University Park buildings housing science laboratories are being renovated as part of the University’s five year capital renewal plan. In order to accommodate the academic and research needs of the University during this active construction period, the University intends to renovate a portion of the Greenberg Indoor Sports Complex to provide swing space for undergraduate chemistry teaching laboratories during the renovation of the Whitmore Building. These teaching labs will be converted to serve as research laboratory swing space for other projects at the completion of the Whitmore project.

The Greenberg Indoor Sports Complex was vacated after the construction of the Pegula Ice Arena.
Will the Board of Trustees adopt the following resolutions:

RESOLVED, That the final plans for the Greenberg Indoor Sports Complex class laboratory swing space renovation at University Park, as designed by PJ Dick of Pittsburgh, Pennsylvania, are approved.

FURTHER BE IT RESOLVED, That authorization to expend funds to accomplish the project are approved in the amount of $10,300,000.

6) Proposed Final Plans and Authorization to Expend Funds, Data Center, The Milton S. Hershey Medical Center

As Penn State University and Penn State Hershey Medical Center have expanded the use of technology to provide the best education, research and medical care possible, the need for reliable, secure and robust data center capacity has increased significantly. To address this need, the University intends to build two new data centers, one at University Park and another at the Hershey Medical Center.

In order to protect the University’s data and continue business as usual in the event of a disaster, the Hershey data center will back up the University Park data center, and the University Park data center will back up the Hershey data center.

In addition to its business continuity mission, the Hershey data center will replace the existing marginal data center with a highly resilient facility having increased capacity to meet the Medical Center’s health care, administrative and research computing needs.

The University Park data center has been designed to support planned growth in research computing, add highly resilient capacity for critical enterprise applications, and accommodate Hershey’s business continuity needs.

The Hershey data center will initially be built to serve a one megawatt load, while the University Park data center will be capable of 1.75 megawatts. Each data center has been designed to accommodate significant future expansion, and both will be very energy efficient.

The 2012 Hershey Medical Center master plan identified a site near the intersection of Bullfrog Valley Road and Life Lion Drive for its data center. University administration plans to present plans for the University Park data center to the Board of Trustees for approval in March of 2015.

Will the Board of Trustees adopt the following resolutions:

RESOLVED, That the final plans for the Data Center at The Milton S. Hershey Medical Center, as designed by IDC Architects, are approved.

FURTHER BE IT RESOLVED, That authorization to expend funds to construct the project be approved at a cost of $54,000,000.
7) **Proposed Purchase of Delta Pointe Property, Silver Spring Township, Cumberland County**

In accordance with Section 5.09(a)(iii)(2) of the Bylaws, the purchase of land and other real estate with a purchase price of $1 million or more requires Board of Trustees approval. The Board of Trustees is advised of the following purchase of University property for their approval.

The University has the opportunity to acquire property from Delta Commerce Park Developers, LLC, located at Delta Pointe, Silver Spring Township, Cumberland County. The acquisition provides the Milton S. Hershey Medical Center with strategic expansion opportunities for site development of planned medical office facilities.

Located along the Route I-81 corridor in the Mechanicsburg-Harrisburg area, the 8.25 acre undeveloped site is comprised of lots 2/2A within a mixed-use commercial park. The property has been offered to the University for $1,500,000. The acquisition is contingent upon the property being determined to be in acceptable condition, inclusive of final development approvals, by campus representatives and the Office of Physical Plant.

Will the Board of Trustees adopt the following resolutions:

**RESOLVED**, That the Board of Trustees approves the acquisition of lots 2/2A, comprised of 8.25 acres, located at Delta Pointe, Silver Spring Township, Cumberland County Pennsylvania, from Delta Commerce Park Developers, LLC for $1,500,000.

**FURTHER BE IT RESOLVED**, That the Officers of the University are authorized and directed to take such steps as are necessary to make effective this resolution.

E. University College (Penn State Fayette)

1) Associate in Building Engineering Technology: Phase Out Program

This program has had low enrollment, low graduation rates, and does not have a complementing baccalaureate degree program. The program is being phased out Spring 2015.
1. **Visual Arts HVAC Replacement, University Park**

   The University intends to improve the comfort and energy efficiency of the Visual Arts Building at University Park by replacing the aging heating and cooling systems. The project includes a new hot water plant in the building, new insulated duct work, controls upgrade, piping replacement, and two new air handlers. The building will be connected to the campus chilled water system. Electrical modifications will be completed to support the installation. During the course of work, corridor ceilings will be replaced and light fixtures will be replaced with energy efficient LED fixtures. In order to take advantage of project adjacencies and avoid future disruptions, the project also includes a new transformer with new service to Ceramic Arts Building. The cost estimate for this project is $3,500,000.

   (See Appendix II.1)

2. **Energy Savings Project at Agricultural Science and Industries Building, University Park**

   The University intends to implement energy conservation measures which could include upgrades to heating, ventilation, air conditioning, building envelope, lighting, and plumbing systems in Agricultural Science and Industries Building. The final scope of the upgrades will be determined after completion of a comprehensive energy audit of the building. Typical conservation measures implemented as a result of this project could be conversion of HVAC constant air volume systems to variable air volume systems, improved operating strategies, control upgrades, installation of heat recovery, lighting replacement, and plumbing fixture replacement. The cost estimate for this project is $4,600,000 with a payback not to exceed 10 years including cost of money.

   (See Appendix II.2)

3. **Energy Savings Project at Wartik Building, University Park**

   The University intends to implement energy conservation measures which could include upgrades to heating, ventilation, air conditioning, building envelope, lighting, and plumbing systems in Wartik Building. The final scope of the upgrades will be determined after completion of a comprehensive energy audit of the building. Typical conservation measures implemented as a result of this project could be conversion of HVAC constant air volume systems to variable air volume systems, improved operating strategies, control upgrades, installation of heat recovery, lighting replacement, and plumbing fixture replacement. The cost estimate for this project is $1,800,000 with a payback not to exceed 10 years including cost of money.

   (See Appendix II.3)

4. **Woodland Building Renovations – Phase II, Penn State Abington**

   The University will be renovating approximately 8,500 square feet in the Woodland Building at Penn State Abington, including three classrooms on the second and third floors. The corridors of the classroom wing of these floors will be painted and office doors will be replaced. In addition, one classroom on the first floor will be converted to a gallery.

   The existing east facade will be replaced with a new curtain-wall system and all related concrete will be repaired and enclosed with aluminum panels. The roof above the classroom section will be replaced and some building system equipment will be upgraded. The project includes renovation of the existing plaza in front of the east wall. A new small plaza at the base of the embankment may be included if bids are favorable and the project budget allows. The cost estimate for this project is $3,500,000.

   (See Appendix II.4)
5. **Institute of Cyberscience Capital Equipment Purchase at Computer Building, University Park**

In order to provide reliable services for Institute of Cyberscience research that can be annually and incrementally enhanced, the University intends to purchase computer, data storage appliance, and network switching equipment to be housed in the Computer Building. A thorough evaluation of existing equipment and processes revealed clear areas requiring improvements including components past end-of-life, gaps in end-to-end engineering, and multiple points of failure. This procurement addresses these needed improvements and replacements, while providing incremental compute and storage capacity upgrades to provide enhanced compute and data services for Penn State researchers.

The Dell and Brocade equipment is comprised of compute, data storage appliances, and network switches that will be fabricated to form a Penn State research cloud foundation. The Brocade network switches provide connectivity within the systems for enabling large-scale scientific workflows, and they can be accessed by researchers across our campuses over high speed networks. The new equipment will be compatible with existing equipment to enable a highly cost-effective end-to-end upgraded solution to support Penn State research. The cost estimate for this purchase is $4,962,000.

(See Appendix II.5)

The Pennsylvania State University
Memorandum

To: MEMBERS OF THE BOARD OF TRUSTEES
From: Frank T. Guadagnino, Associate General Counsel
Subject: Governance Reform Proposal
Date: 10/31/2014

This memorandum describes the substantive changes to the University’s Charter, Bylaws and Standing Orders that would be required to be made in connection with the adoption of the Governance Reform Proposal approved by the Committee on Governance and Long-Range Planning at its meeting on September 18, 2014. I have not identified in this memorandum a number of typographical corrections. Revised drafts of the Charter, Bylaws and Standing Orders, showing the changes that would be required to be made, and redlined to show all of the changes from the documents currently in effect, are also attached. Please feel free to call me directly if you have any questions relating to the documents.

Changes to the Charter

1. The Section entitled “NUMBER OF TRUSTEES” would be revised to provide for a total of 38 members of the Board, 33 voting members and 5 ex officio non-voting members.

2. Paragraph (1) of the Section entitled “MEMBERSHIP OF THE BOARD” would be revised to indicate that the Secretary of Education, the Secretary of Agriculture and the Secretary of Conservation and Natural Resources, the President of The Pennsylvania State University and the Governor of the Commonwealth shall all be ex officio non-voting members of the Board.

3. Paragraph (3) of the Section entitled “MEMBERSHIP OF THE BOARD” would add a reference to “and former students” to be consistent with the first paragraph under “QUALIFICATIONS OF ELECTORS”, which permits certain former students to vote without having obtained a degree.

4. Paragraph (4) of the Section entitled “MEMBERSHIP OF THE BOARD” would be revised to clarify the language regarding election by Agricultural Organizations.
5. A new Paragraph (6) of the Section entitled “MEMBERSHIP OF THE BOARD” would be added to provide for a trustee representing the student body, to be elected by the Board of Trustees.

6. A new Paragraph (7) of the Section entitled “MEMBERSHIP OF THE BOARD” would be added to provide for a trustee representing the faculty of the University, to be elected by the Board of Trustees.

7. A new Paragraph (8) of the Section entitled “MEMBERSHIP OF THE BOARD” would be added to provide for a trustee representing the Penn State Alumni Associations to be added as an ex officio member of the Board, commencing July 1, 2015.

8. A new Paragraph (9) of the Section entitled “MEMBERSHIP OF THE BOARD” would be added to provide for three at-large trustees to be elected by the Board of Trustees.

9. Section (1)(b)(i) of the Section entitled “QUALIFICATIONS OF ELECTORS” would be revised to delete the word “or” and insert the word “and” in order to correct a drafting error.

10. Section (2) of the Section entitled “QUALIFICATIONS OF ELECTORS” would be revised to provide that no individual may represent an agricultural society as a delegate unless such person is a member in good standing of such society.

11. Section (3) of the Section entitled “QUALIFICATIONS OF ELECTORS” would be revised to require that an agricultural society have a minimum of 15 members and have been in existence for not less than 12 months prior to the election in order to participate in the election of trustees.

12. The paragraph under the Section entitled “QUALIFICATIONS OF ELECTORS” entitled “Rules and Regulations” would be moved to its own Section, in order to clarify that the Board of Trustees possesses power to make rules and regulations for the election of members applies to elections for all trustees, not just alumni elected trustees.

13. The Section entitled “TERM OF TRUSTEES” would be revised to provide that the trustee elected to represent the student body and the trustee who serves ex officio as the immediate past President of the Penn State Alumni Association shall each have a two year term, except that if the trustee elected to represent the student body ceases to meet all of the criteria set forth in the University’s Bylaws, such trustee’s term shall expire on the date that such trustee no longer meets such criteria. This Section would also be revised to provide that the at-large trustees shall initially be elected for one, two and three year terms, respectively, in order to stagger their terms of office.
14. The Section entitled “EXECUTIVE COMMITTEE” would be revised to provide that the number of members of the executive committee, up to a maximum of 13, would be determined annually by the Chair of the Board of Trustees.

**Changes to the Bylaws**

1. Changes would be made to Section 2.01 to conform to the changes to be made to the Charter with respect to the number and composition of the members of the Board.

2. A new Section 2.02(b) would be added to add the proposed qualifications of the Student Trustee and the first paragraph would be designated as 2.02(a).

3. Section 2.08 would be revised to delete the reference to “Robert’s Rules of Order” and substitute therefor “rules and procedures adopted by the Board of Trustees from time to time.”

4. Section 3.02 would be revised to provide that the number of members of the executive committee, up to a maximum of 13, would be determined annually by the Chair of the Board of Trustees.

5. Section 3.03(f) would be revised to provide the Committee on Governance and Long-Range Planning with the responsibility to recommend proposed Student and Academic Trustees to the Board for election.

6. Section 3.03(g) would be revised to make the Vice Chair an ex-officio member of all committees and subcommittees.

7. Section 3.03(k)(v) would be added to create a new subcommittee on risk of the committee on audit and risk.

8. Section 5.01(b) would be revised to reflect the change in the annual meeting to July.

9. Section 5.09(c)(iii) would be revised to correctly reflect the change in the title of the Chief Executive Officer of the Office of Investment Management.

**Changes to the Standing Orders**

1. Standing Order I(2) would be revised to increase the number of nominations needed for nomination in order to be placed on the ballot for alumni elected trustees from 50 to 250.

2. Standing Order I(5) and (11) would be revised to clarify the language and conform to existing practice.
3. Standing Order II would be revised to provide that the Selection Group would be formed in July, to provide that the full Board would have an opportunity to nominate candidates for election and to provide for a process for identifying candidates. In addition, the new language would require the Selection Group, and any trustee submitting a nomination, to maintain the confidentiality of candidates’ identities. Finally, the new language requires the Chair of the Board to publicly announce the names of the members of the Selection Group, and requires that the Selection Group report publicly on the number (but not the names) of candidates considered.

4. Standing Order III would be revised to change the process by which delegates to the agricultural trustee election are qualified, authorized and registered. Delegates would have to be members of the organization they represent.

5. Standing Order III would also be revised to require that an agricultural organization must have 15 members in a county and must have been in existence for at least 12 months prior to the election before such organization would be permitted to send delegates to the election to represent such organization in such county. The new language would also require that the secretary or other authorized officer of each agricultural organization provide proof to the Secretary of the Board of Trustees of the authority and eligibility of each delegate sent by such organization to the election.

6. A new Standing Order IV would be added to provide for the process for the nomination and election of the Student Trustee.

7. A new Standing Order V would be added to provide for the process for the nomination and election of the Academic Trustee.

8. A new Standing Order VI would be added to provide for the process for the nomination and election of the at-large trustees.

9. Sections (2) and (3) of Standing Order IV (new Standing Order (VII)) would be amended to add a requirement with respect to posting of notices of regular and special meetings on the University’s website at the same time that such notices are published in newspapers.

10. Section 13 of former Standing Order IV (new Standing Order VII) would be revised to make clear that attendance at executive sessions of the Board, its Executive Committee, Standing Committees and Special Committees is limited to the voting members of the Board, its Executive Committee, Standing Committees and Special Committees, as the case may be, unless the presiding officer of such session so directs.

CORPORATE CHARTER OF THE PENNSYLVANIA STATE UNIVERSITY*

The Charter of The Pennsylvania State University is not in the traditional form of charters of other corporations. This is because no particular form was followed when the institution was created as the Farmers' High School by special act of the legislature of Pennsylvania on February 22, 1855. The name of the institution has been changed successively to the Agricultural College of Pennsylvania in 1862, the Pennsylvania State College in 1874, and The Pennsylvania State University in 1953. The original charter has been amended once in the Court of Quarter Sessions of Centre County on May 1, 1862, and in the Court of Common Pleas of Centre County in the following proceedings: No. 235 November Term, 1875; No. 166 April Term, 1892; No. 162 May Term, 1915; No. 130 February Term, 1925; No. 218 February Term, 1951; No. 140 December Term, 1953; No. 211 February Term, 1958; No. 189 October Term, 1959; and No. 192 October Term, 1962. The Charter was further amended by action of the Board of Trustees on November 22, 2002, May 3, 2013, November 22, 2013 and, March 7, 2014, and November 14, 2014. Various acts of assembly have been passed which deal with the status and rights of The Pennsylvania State University as the instrumentality of the Commonwealth to perform the essential governmental functions of education, but these do not alter the charter and powers of the institution.

In reality, the charter of The Pennsylvania State University consists of the acts of assembly which properly relate to it as well as all of the decrees of the Court of Centre County above cited. The following are selected paragraphs from these various acts and decrees arranged under traditional headings.

ARTICLE IV

LIABILITY AND INDEMNIFICATION

Section 4.01 Personal Liability of Trustees.

(a) Elimination of Liability. To the fullest extent that the laws of the Commonwealth of Pennsylvania, as now in effect or as hereafter amended, permit elimination or limitation of the liability of Trustees, no Trustee of the University shall be personally liable for monetary damages as such for any action taken, or any failure to take any action, as a Trustee.

(b) Nature and Extent of Rights. The provisions of this Section shall be deemed to be a contract with each Trustee of the University who serves as such at any time while this Section is in effect and each such Trustee shall be deemed to be so serving in reliance on the
provisions of this Section. Any amendment or repeal of this Section or adoption of any Bylaw or provision of the Articles of the University which has the effect of increasing Trustee liability shall operate prospectively only and shall not affect any action taken, or any failure to act, prior to the adoption of such amendment, repeal, Bylaw or provision.

Section 4.02 Indemnification.

(a) Right to Indemnification.

(i) As used herein, the word “Action” shall mean any action, suit or proceeding, administrative, investigative or other, (i) to which such person is a party (other than an action by the University) or (ii) in connection with which such person is not a party but is a witness, subject to investigation or otherwise involved, in either case by reason of such person being or having been a Trustee or officer of the University or by reason of such person serving or having served at the request of the University as a director, officer, employee, fiduciary or other representative of another corporation, partnership, joint venture, trust, employee benefit plan or other entity.

(ii) Except as prohibited by law, each Trustee and officer of the University shall be entitled as of right to be indemnified by the University against expenses and any liability paid or incurred by such person (i) in the defense of any Action to which such person is a party or (ii) in connection with any other Action.

(iii) A person who is not a Trustee or officer of the University may be similarly indemnified in respect of service to the University to the extent the Board of Trustees at any time designates such person as entitled to the benefits of this Section. The Board of Trustees has delegated to the Vice President and General Counsel the authority to make the determination, after consideration of relevant facts and circumstances, as to whether a
person who is not a Trustee or officer of the University shall be indemnified in respect of
his or her service to the University pursuant to this paragraph.

(iv) As used in this Section, “indemnitee” shall include each Trustee and each
officer of the University and each other person designated by the Board of Trustees as
entitled to the benefits of this Section; “liability” shall include amounts of judgments,
excise taxes, fines, penalties and amounts paid in settlement; and “expenses” shall include
fees and expenses of counsel incurred by the indemnitee only (i) if the University has not
at its expense assumed the defense of the Action on behalf of the indemnitee with reputable
and experienced counsel selected by the University, or (ii) if it shall have been determined
pursuant to Section (c) hereof that the indemnitee was entitled to indemnification for
expenses in respect of an Action brought under that Section.

(b) Right to Advancement of Expenses. Every indemnitee shall be entitled as
of right to have his expenses in defending any Action paid in advance by the University, as
incurred; provided, however, that the University receives a written undertaking by or on behalf of
the indemnitee to repay the amount advanced if it should ultimately be determined that such
person’s conduct was such that the University is prohibited by law from indemnifying such person.

(c) Right of Indemnitee to Initiate Action; Defenses.

(i) If a written claim under paragraph (a) or paragraph (b) of this Section is not
paid in full by the University within thirty days after such claim has been received by the
University, the indemnitee may at any time thereafter initiate an action to recover the
unpaid amount of the claim and, if successful in whole or in part, the indemnitee shall also
be entitled to be paid the expense of prosecuting such action.
(ii) The only defenses to an action to recover a claim for indemnification otherwise properly asserted under paragraph (a) shall be that the indemnitee's conduct was such that under applicable law the University is prohibited from indemnifying the indemnitee for the amount claimed, but the burden of proving any such defense shall be on the University.

(iii) The only defense to an action to recover a claim for advancement of expenses otherwise properly asserted under paragraph (b) shall be that the indemnitee failed to provide the undertaking required by paragraph (b), but the burden of proving any such defense shall be on the University.

(d) Non-Exclusivity; Nature and Extent of Rights; Insurance. The rights to indemnification and advancement of expenses provided for in this Section shall (i) not be deemed exclusive of any other rights to which any indemnitee may be entitled, (ii) be deemed to create contractual rights in favor of each indemnitee who serves the University at any time while this Section is in effect (and each such indemnitee shall be deemed to be so serving in reliance on the provisions of this Section), and (iii) continue as to each indemnitee who has ceased to have the status pursuant to which he was entitled or was designated as entitled to indemnification under this Section and shall inure to the benefit of the heirs and legal representatives of each indemnitee. The University may provide, at its cost, insurance, or may self-insure, to protect itself and any Trustee, officer, agent or employee eligible to be indemnified hereunder against any liability or expense whether or not the University would have the power to indemnify such trustee, officer, agent or employee.

All administrative officers with the title of vice president or dean shall be appointed by the President, subject to the approval of the Board of Trustees.  Removal of such administrative officers with the title of vice president or dean shall be made by the President and, in such event, the President shall inform the Board of
Trustees of such removal at the next regular meeting of the Board. The President, as chief policy officer, shall have final authority, subject to the revisions and orders of the Board of Trustees, to establish policy concerning educational policy and planning, student affairs, the instructional program, courses and curricula, personnel, admissions, graduation requirements, scholarships and honors, calendar requirements, business, planning, research, and finance; provided, however, that the President shall delegate to the faculty, as appropriately organized, subject to the orders of the President, the authority to establish policy concerning the approval and supervision of the instructional program, including courses and curricula, academic admission standards, graduation requirements, and scholarships and honors. ARTICLE VIII

CONFLICTS OF INTEREST

Section 8.01 Definitions. For purposes of Sections 8.01 – 8.11 hereof, the following terms shall have the meanings set forth below.

(a) Conflict of Interest. A “conflict of interest” exists when a reasonable observer, having knowledge of all of the relevant facts and circumstances, would conclude that a Trustee has an actual or apparent conflict of interest in a matter related to the University. In addition to financial conflicts of interest, a conflict of interest includes a situation in which a Trustee, family member or related entity has an interest that may lead the Trustee to act in a way that is incompatible with or a breach of the Trustee’s fiduciary duty to the institution or use such Trustee’s role to achieve personal gain or benefit or gain or benefit to family, friends or associates.

(b) Family Member. A “family member” means a Trustee’s spouse or dependent child.

(c) Financial Conflict of Interest. A “financial conflict of interest” exists when a Trustee, a family member or related entity has an actual or potential financial interest in a matter (i) that is pending before the Board for discussion or vote or (ii) in which the Trustee or a family member is personally involved. A financial conflict of interest does not include a student or employment relationship of a family member.

(d) Related Entity. A “related entity” means a corporation, partnership, association or other entity where the Trustee or family member serves as an officer, director, partner or employee; expects to receive $5,000 or more in compensation for services in a calendar year.
year; holds any equity in a non-publicly traded entity; or holds an interest of 5% or more in a publicly traded entity.

(e) Known. “Known” means that the Trustee has actual knowledge of the conflict of interest.

(f) Board. “Board” includes any standing or ad hoc committee of the Board.

(g) Disclose or Disclosure. “Disclose” or “disclosure” means to provide a brief summary of the transaction, agreement or business arrangement and the Trustee’s financial or other interest.

Section 8.02 Disclosure. Each Trustee must disclose in writing to the Office of the Board of Trustees and to the Chair of the Board all situations that involve actual or apparent conflicts of interest if and as the conflict of interest becomes known to such Trustee.

Section 8.03 Annual Disclosure. In addition to other annual disclosures required by law or policy, each Trustee must disclose annually and in writing to the Secretary of the Board all conflicts of interest that are known to such Trustee. The annual disclosures of known conflicts of interest will be publicly available upon request.

Section 8.04 Recusal. If a matter in which a Trustee has a known conflict of interest comes before the Board for discussion or decision, the interested Trustee shall leave the Board meeting while the matter is discussed and voted upon. The Trustee’s interest and recusal shall be noted in the minutes, which shall be publicly available.

Section 8.05 Contracts or Transactions with the University. (a) A contract or transaction between the University and a Trustee, family member or an entity in which a Trustee or family member has a beneficial interest of ten percent (10%) or more and the contract or transaction is valued at $10,000 or more must be approved by the Board of Trustees in accordance
with this Section. The University official responsible for the matter must first conclude that it is in the best interests of the University to consider entering into such a contract or transaction. In circumstances where the Trustee, family member or related entity is purchasing goods or services from the University, as opposed to selling such goods or services, the matter is presumptively in the University’s interests if the price is fair and reasonable and the contract or transaction does not foreclose a similar transaction with another individual or entity. In other circumstances where the University is purchasing goods or services, the officer must first explore alternatives that do not involve an interest of the Trustee, family member or entity in which the Trustee or family member owns a beneficial interest of ten percent (10%) or more. If, after exercising such due diligence, the official determines that it is in the best interests of the University to proceed, the matter must be submitted to the Board for approval. The written materials submitted to the Board shall include a description of the contracting process, including the use of open and public bidding if possible and practical, and the official’s analysis of why it is in the best interests of the University to proceed with the agreement or relationship. The interested Trustee shall leave the meeting during the discussion and voting. The Board shall determine by a majority vote of the disinterested Trustees whether the transaction or arrangement is in the University’s best interests, the price and value provided are fair and reasonable to the University and whether to approve the transaction or arrangement. Any such decision shall be recorded in the minutes, which shall be publicly available.

(b) Contracts or transactions of less than $10,000 between the University and a Trustee, family member or an entity in which the Trustee or a family member has a beneficial interest of ten percent (10%) or more will be disclosed to the Board of Trustees annually in a written report which shall be available to the public. The report shall include a certification by the appropriate
officers of the University that such contracts or transactions were made in the normal course of business and were fair to the University.

Section 8.06 Annual Statements. Each Trustee shall annually sign a statement that affirms that such Trustee (a) has received a copy of the Board’s conflict of interest policy as expressed in this Article VIII, (b) has read and understands the policy, and (c) has agreed to comply with the policy.

Section 8.07 Fiduciary Duty. Members of the Board of Trustees stand in a fiduciary relationship to the University which reposes special confidence in each member. Members of the Board of Trustees shall act in good faith, with due regard to the interests of the University, and shall comply with the fiduciary principles of conduct in addition to any other state or federal requirements. Trustees bring to their roles varied backgrounds and expertise, and they are selected in different ways, but they must keep the welfare of the entire University, not just a particular constituency, at all times paramount.

Section 8.08 Misuse of Information. No member of the Board of Trustees shall for personal gain or benefit or for the gain or benefit of others use any information not available to the public at large and obtained as a result of service to the University.

Section 8.09 Gifts and Favors. No member of the Board of Trustees shall solicit or accept for personal use or for the use of others any gift, loan, gratuity, reward, promise of future employment or any other thing of monetary value based on any understanding that the vote, official action or judgment of the member would be influenced thereby.

Section 8.10 Pre-Existing Contract or Transaction. A contract or transaction that would be required to be disclosed under this Article but which was entered into before the interested Trustee assumed office, or which became subject to this Article as a result of
amendments to the Article, and which remains to be performed in whole or in part, shall be disclosed by the Trustee pursuant to Section 8.03 but is not subject to the voting and other requirements of this Article.

Section 8.11 Family Members as Employees. A record of all spouses or dependent children of Trustees who are employed by the University or an affiliated entity and where compensation exceeds $10,000 per year shall be maintained in the Office of the Board of Trustees and the names and positions but not the amount of compensation shall be posted on the University's public website.

Section 8.12 Employment of Trustees. No Trustee may be employed by the University in any capacity before the fifth (5th) anniversary of the date on which such person last served as a Trustee, except as approved by action of the Board of Trustees.

Section 8.13 Disclosure of Potential Conflict of Interest by Employees of the University. Employees of the University shall exercise the utmost good faith in all transactions touching upon their duties to the University and its property. In their dealings with and on behalf of the University, they shall be held to a strict rule of honest and fair dealings between themselves and the University. They shall not use their positions, or knowledge gained therefrom, in such a way that a conflict of interest might arise between the interest of the University and that of the individual. Employees shall disclose to the administrative head of the college or other unit in which they are employed, or other appropriate superior officer, any potential conflict of interest which they are aware before a contract or transaction is consummated. This bylaw shall be published to the University community at least once annually.
Section 8.14  Consultation. Any Trustee or University official may consult with the Secretary of the Board or the University General Counsel concerning the interpretation or application of any of the provisions of Article VIII.

STANDING ORDERS OF THE BOARD OF TRUSTEES

ORDER I. PROCEDURES FOR THE ELECTION OF TRUSTEES BY ALUMNI (see also the Charter)

(1) **Date of Election.** Elections for alumni members of the Board of Trustees shall be held each year on the day preceding the annual Commencement, under the direction of two judges annually appointed for that purpose by the Chair of the Board of Trustees, and may be held either in connection with the Delegate Convention for the election of other members of the Board, or at such other hour of the same day, and such other place, as the Chair of the Board of Trustees may from time to time direct.

(2) **Nominations.** The Secretary of the Board of Trustees, or such other officer as may be from time to time designated by the Chair of the Board of Trustees, shall send to each qualified elector, as established in the Charter, whose email address is known a notice stating the date at which the next election will be held and the names of alumni trustees whose terms will expire by law on the thirtieth day of June next following. Such notice shall be sent each year not less than ninety days preceding the date on which such election is to be held, and shall invite nominations for vacancies then to occur. All persons who are nominated by as many as twenty-five electors shall be announced as soon as practical after the tenth day of April each year in a circular sent to all electors, with a form of ballot.

(3) **Form of Ballot.** Only the official nominating and voting ballots may be used to nominate and vote for candidates.

(4) **Position on Ballot.** Immediately after the last day fixed for depositing ballots to nominate candidates for alumni trustee, the Chair of the Board of Trustees shall fix a day and hour for casting lots for the position of names upon the election ballots. The Secretary of the Board of Trustees shall give at least three days’ notice of said date and hour to all candidates nominated. Any candidate may appear in person or by a representative duly authorized in writing. In the event that any candidate is not present in person or by duly authorized representative at the time of casting of lots, it shall be the duty of the Secretary to appoint some person to represent such absentee. After said lots are cast, the Secretary shall accordingly establish the order in which the names of said candidates are to appear on the election ballot.

(5) **Designation of Incumbents.** The asterisk identifying incumbents shall not be eliminated from election ballots, but biographical sketches shall continue to identify incumbents with an asterisk.

(6) **Position in Booklet of Biographical Sketches.** Candidates’ names shall be in alphabetical order in any publication of biographical sketches.

(7) **Duplicate Ballots.** A duplicate ballot may be issued to a voter only on a written or personal application to the Secretary of the Board of Trustees stating that the original ballot has been lost, mutilated, or destroyed.
Deadline for Receipt of Nominations. Ballots for the nomination of alumni trustees must be received at the office of the Secretary of the Board of Trustees before 5:00 p.m., February 25.

Candidate May Withdraw Name. Each candidate nominated shall be given the privilege of withdrawing his/her name.

Election Returns. All ballots for alumni trustees returned to the proper official in response to said circular and received by him/her on or before the day of election shall be safely kept by him/her, and by him/her delivered at the time and place of election to the two judges selected by the Chair of the Board of Trustees and shall by them be counted as cast at that time and place. Said judges shall make return to the Board of Trustees of the persons for whom ballots have been cast, either by letter or by electors in person, with the number of votes for each person; and the Board of Trustees shall thereupon determine and declare what persons have been elected to fill the vacancies aforesaid. A plurality of votes only shall be required to elect and, in case of an equality of votes between two or more candidates, the person or persons who shall hold said office or offices of trustee shall be designated by ballot of the Board of Trustees.

Announcement of Results. The names of the winning candidates in the election shall be given publicity in the public press (and no reference shall be made to the other candidates for the three offices). The names of all candidates and the number of votes received by each shall be made available for publication.

Electronic Notices and Voting. In order to be good stewards of the limited financial resources of the University, electronic mail may be used to communicate any required notices or other correspondence under this Order I and an electronic balloting and voting process may be used so long as reasonable accommodations are made to permit any qualified elector without access to electronic mail to participate in the election.

ORDER II. SELECTION GROUP ON BOARD MEMBERSHIP FOR PROCEDURES FOR THE ELECTION OF BUSINESS AND INDUSTRY TRUSTEES (see also the Charter and the Bylaws)

The Selection Group on Board Membership for Business and Industry Trustees shall be composed of five members (three seated Trustees representing business and industry endeavors excepting those standing for reelection; and two trustees from among those elected by the alumni, elected by agricultural associations, or appointed by the Governor). The selection group, the membership of which shall be disclosed to the Board of Trustees, shall be appointed annually in July by the Chair of the Board of Trustees for the purpose of recommending, in accordance with guidelines established by the Board of Trustees from time to time, two candidates for membership on the Board of Trustees representing business and industry endeavors. The names and qualifications of the candidates shall be submitted for confirmation by the Board of Trustees (for approval or rejection of recommended candidates only).
The Office of the Board of Trustees shall annually announce to the full Board the opportunity to
nominate candidates for consideration by the Selection Group, and shall afford the full Board at
least thirty days to submit such nominations in advance of the Selection Group’s deliberations. In
addition to nominations received from individual trustees, the Selection Group may cultivate
additional candidates, including persons nominated in previous years for membership on the Board
as a representative of business and industry. The Selection Group and any trustee submitting a
nomination shall treat as confidential the identity of nominees. The Selection Group’s efforts to
develop business and industry candidates may continue through the end of the month of June
following the year of its appointment.

The Board of Trustees shall publicly report the number (but not the names) of candidates
considered by the Selection Group.

The election of trustees representing business and industry endeavors shall be held at the May
meeting of the Board of Trustees.

ORDER III. PROCEDURES FOR THE ELECTION OF TRUSTEES BY
AGRICULTURAL DELEGATES (see also the Charter and the Bylaws)

election of six trustees who represent the organized agricultural societies or associations in the
Commonwealth (“Agricultural Organizations”).

(1) Date of Election. Election for two members of the Board of Trustees representing
agricultural interests shall be held each year on the Thursday prior to the day for
the annual Spring Commencement, under the direction of two judges annually
appointed for that purpose by the Chair of the Board of Trustees.

participate in the election of Trustees unless they have at least fifteen (15) members
in good standing and have been organized and in existence at least twelve (12)
months preceding the election, and have duly notified the Secretary of the Board of
Trustees of this fact at least sixty days prior to the election. Each Agricultural
Organization is invited to send up to three delegates to participate in the election;
provided, however, that if an Agricultural Organization has more than fifteen (15)
members in good standing in more than one county, such Agricultural Organization
may send up to three delegates from each such county and provided, further that
the maximum number of delegates that may be sent by any Agricultural
Organization to participate in the election shall be nine (9). Each Delegate must
be a member of the Agricultural Organization that he or she represents. Employees
of The Pennsylvania State University are not permitted to serve as delegates. The
secretary or another authorized officer of each Agricultural Organization shall
provide proof to the Secretary of the Board of Trustees, in form and substance
satisfactory to the Secretary of the Board of Trustees, of the authority and eligibility
of each delegate sent by such Agricultural Organization to participate in the
election. No proxies are permitted.
(3) Candidates. Each Candidate must be an active member of an Agricultural Organization. Individual candidates are invited to notify the Secretary of the Board of Trustees by February 25 of each year. The names of the candidates (along with a biographical sketch and position statement for each candidate, the agenda for the meeting, and the governance provisions for the election) will be distributed to the secretaries or other authorized officers of each Agricultural Organization whose contact information is on file with the Secretary of the Board of Trustees in advance of the election in order to better inform Agricultural Organization delegates.

(4) Nominations. Nominations will be required for all trustee candidates on the day of the election. Nominations of additional candidates not included in the election mailing are also permitted.

(5) Registration. The names of the delegates representing each Agricultural Organization must be provided by the secretary or another authorized officer of such Agricultural Organization to the Secretary of the Board of Trustees, in a form approved by the Secretary of the Board of Trustees, at least 30 days prior to the election. An Agricultural Organization may amend its submission after that time but in no event shall changes be accepted if received by the Secretary of the Board of Trustees after 4:00 p.m. on the Monday prior to the election. Delegates must present a valid Pennsylvania driver’s license or some other form of photo identification acceptable to the Secretary of the Board of Trustees in order to participate in the election, and may be registered as a delegate of only one Agricultural Organization and in only one county.

(6) Eligibility and Voting. Only those delegates in attendance and duly registered are permitted to participate in the election and voting. The following provisions also apply:

(i) Each county is permitted a maximum of three votes for the candidates.

(ii) If a county is represented by more than three delegates, a caucus is required to determine the three from their number who will represent the county.

(iii) If fewer than three delegates represent a county, the county is permitted only as many votes as there are delegates.

(iv) Each voter must vote for two nominated candidates. Any ballot indicating a vote for a single candidate shall not be counted.

(3) The name and qualifications of the candidate recommended by the Committee on Governance and Long Range Planning shall be submitted for confirmation by the Board of Trustees (for approval or rejection of the recommended candidate only). It is expected that the Committee on Governance and Long Range Planning would recommend, and the Board of Trustees would approve, the candidate recommended by the Selection Group unless issues with the recommended candidate’s background check, student conduct issues, academic standing issues or other issues arise or exist that in the opinion of the Board of Trustees would make the preferred candidate unsuitable for service on the Board of Trustees. The Selection Group shall treat as confidential the identities of all candidates.

(4) The election of the Student Trustee shall be held at the May meeting of the Board of Trustees.

ORDER V. PROCEDURES FOR THE ELECTION OF THE ACADEMIC TRUSTEE (see also the Charter and the Bylaws)

The Faculty Senate shall treat as confidential the identities of all candidates.

(4) The election of the Academic Trustee shall be held at the May meeting of the Board of Trustees.

ORDER VI. PROCEDURES FOR THE ELECTION OF AT-LARGE TRUSTEES (see also the Charter and the Bylaws)

(2) Annual Public Notice of All Meetings. Public notice of the date, time, and place of all regularly scheduled meetings of the Board of Trustees, its Executive Committee, its Standing Committees, and its Special Committees for the calendar year shall be published annually in all daily newspapers of general circulation published in Centre County, and in at least one daily newspaper of general circulation in Pennsylvania. Such notice for meetings at locations other than University Park shall be published in a daily newspaper of general circulation in the political subdivision in which such meetings are to be held. Notice of all regularly scheduled meetings shall also be posted on the University’s website at the same time as such notice is published in the newspaper.

(3) Public Notice of Individual Meetings. Public notice of the date, time, and place of each regular meeting shall be given and published in the daily newspapers of general circulation as indicated above, at least three days prior to the time of each regularly scheduled meeting, and at least twenty-four hours prior to the time of the meeting in the case of special or rescheduled meetings. This provision shall not apply in case of a meeting called to deal with an emergency involving a clear and present danger to life or property. Notice of all special meetings shall also be posted on the University’s website at the same time as such notice is published in the newspaper.

(4) Posting of Notices. Public notice of all meetings of the Board of Trustees, its Executive Committee, its Standing Committees, and its Special Committees shall be posted at the offices of the Secretary of the Board of Trustees at University Park, Pennsylvania.

(5) News Media Notices. Notice of the date, time, and place of meetings shall be furnished on request to any newspaper publishing in the political subdivision in which the meeting will be held and to any radio and television station which regularly broadcasts into the political subdivision (Centre County in the case of meetings at University Park).
Notice to Others. Notice of meetings shall also be furnished to anyone providing a stamped, self-addressed envelope prior to the meeting.

Meeting Room. Except for telephonic meetings, meetings of the Board of Trustees, its Executive Committee, its Standing Committees, and its Special Committees shall be held in a room large enough to accommodate the members of the Board of Trustees, officers of the University, and invited guests. Space shall also be available for up to twenty-five visitors, including representatives of the news media, on a first-come, first-served basis. The room will be opened one-half hour prior to the starting time of the meeting.

Arrangements for News Media Area and Press Conferences. An area in the meeting room shall be designated by the University for use by the press and other news media, subject to such rules and regulations as the University may adopt. To further facilitate communications between the Board and the public, the Chair of the Board of Trustees and/or the President of the University shall hold press conferences as necessary following meetings of the Board of Trustees.

Visitors to the Meetings. Visitors to the meetings, including representatives of the news media, shall be present as observers, and not as participants. Any form of participation including speaking, the presentation of petitions, and the display of banners, posters, and other forms of signs is prohibited. This rule does not apply to guests invited by the Chair of the Board of Trustees or the President of the University.

(a) The Chair of the Board of Trustees or the President of the University shall be authorized to invite non-voting faculty representatives, non-voting student representatives or other constituent representatives to attend and participate in the meetings of standing committees, subcommittees and of special committees, except executive sessions. The representatives shall be selected by the Chair of the Board of Trustees in such manner as he/she deems appropriate.

(b) The Board of Trustees welcomes the opportunity for expression of public views on issues before the Board. To accommodate such expression, the Board shall reserve a portion of its regular meeting for individuals who wish to address the Board. All persons wishing to speak must preregister by completing a Request to Address form and submit it to the Office of the Secretary of the Board of Trustees no later than 48 hours before the start of the meeting (typically, Wednesday, at 1:30 p.m., 48 hours before Friday meeting at 1:30 p.m.). The Secretary of the Board of Trustees will review this request and notify the person making the request whether he/she may give public comment at the next meeting. The Board will allow up to thirty minutes for public comment/questions per meeting. An individual speaker will be permitted up to three minutes for a presentation. This will be strictly adhered to with assistance of a timekeeper. Thus, a maximum of ten speakers will be scheduled for each Board meeting.
When the number of requests to address the Board of Trustees at a given session exceeds the time available, requests will be approved based on the date the written request was received by the Secretary of the Board. In addition, preference will be given to subject matters that relate to the agenda for the relevant Board meeting and to avoid repetitiveness. Finally, the Board will not hear presentations or entertain questions on the following topics: issues under negotiation as part of the University’s collective bargaining process; the employment status of any specific individual; statements concerning the private activities, lifestyles or beliefs of individuals employed by or associated with the University; grievances of individual students or employees; proposals or bids for contracts; or pending or threatened litigation involving the University.

The Chair of the Board of Trustees shall have the authority to modify the provisions of this subsection (b) in his or her discretion to permit additional speakers, extend the public comment session and to make such other accommodations as may be necessary or advisable in his or her opinion to achieve the purposes of the public comment period.

(b) Television cameras and related equipment shall be allowed entry into the meeting room for set up purposes during the one-half hour period prior to the starting time of the morning and afternoon meetings. Television cameras and related equipment shall not be allowed entry into the meeting room after the starting time of the meeting, except during the course of a meeting recess, in which event entry will be permitted.

(c) Television cameras and photographic equipment shall be required to use available light during the meeting. Artificial lighting and flashes shall not be used during the meeting.

(d) No voice-over broadcasting shall be permitted during the meeting.

(11) Procedures for Committee Meetings and Board Meetings. In conducting the business of the Board of Trustees, its Standing Committees, and its Special Committees, the procedures for the meetings of the Standing Committees and the Special Committees shall provide for full discussion of both information and action items. Following discussion of action items, Standing Committees will vote to recommend an action to the Board of Trustees. Special committees recommend action to Standing Committees. The Board of Trustees meeting will be devoted
primarily to (a) taking formal action on committee recommendations as a block, with Board members having the opportunity to raise questions concerning any of the recommended action items and to call for a separate vote on a given item; (b) considering and acting upon matters which have not come to the Board through a Standing Committee; and (c) receiving the report of the President of the University. The vote of each member of the Board or of a committee on any resolution, rule, order, regulation, ordinance or the setting of official policy must be publicly cast and, in the case of a roll call vote, recorded. From time to time, the Board of Trustees, executive committees, standing committees and subcommittees may hold conferences, which need not be open to the public, for the purposes of providing training and information to Trustees on matters directly related to their official responsibilities; provided, however, that no “deliberations” (as defined in the Pennsylvania Sunshine Law) of University business may occur at a conference.

(12) Agenda for the Meetings. The agenda and supporting material for the meetings of the Board of Trustees, its Executive Committee, its Standing Committees, and its Special Committees shall be available to the public (both in hard copy at the meeting and online) at the time of the meetings. In addition to making available to the public at the time of the meeting the agenda and supporting material, the University will make available five days in advance of the meeting an agenda of items to be considered with a note that the agenda of items is subject to change without notice prior to the meeting.

(13) Executive Sessions of the Board of Trustees. The Board of Trustees, its Executive Committee, its Standing Committees, and its Special Committees may hold an executive session as permitted by applicable law. Attendance at executive sessions shall be limited to voting members of the Board of Trustees, its Executive Committee, its Standing Committees and its Special Committees, as the case may be, unless the presiding officer of the Board or of such Executive Committee, Standing Committee or Special Committee otherwise directs.

(14) Maintaining Order. The presiding officer at public meetings of the Board of Trustees, its Executive Committee, its Standing Committees, and its Special Committees shall have the authority to maintain order during the public meeting. Any person who, in the opinion of the presiding officer, prevents, disturbs, or interrupts a public meeting may be requested to leave the public meeting, and, upon failure to comply, may be subject to forcible removal and/or arrest for violation of applicable law.

(15) Minutes of Public Meetings. The minutes of public meetings of the Board of Trustees, its Executive Committee, its Standing Committees, and its Special Committees shall be available for inspection and copying during regular business hours at the office of the Secretary of the Board of Trustees. A copy of minutes of public meetings shall be available to a member of the public upon payment of the reasonable cost of reproduction.
Revisions in the Rules and Regulations for Public Meetings. The Board of Trustees will periodically review the Rules and Regulations for the Conduct of Public Meetings and make such revisions as experience indicates are appropriate and desirable.

ORDER IV. ORDER VIII. GOVERNANCE OF THE UNIVERSITY

Role of the Board of Trustees in University Governance

(a) Guiding Policies. In the exercise of its responsibilities, the Board of Trustees shall be guided by the following policies:

(i) Delegation of authority. As set forth in the Bylaws, the authority for day-to-day management and control of the University, and the establishment of policies and procedures for the educational program and other operations of the University, is delegated to the President of the University, and by him or her either by delegation to or consultation with the faculty and the student body in accordance with a general directive of the Board of Trustees.

(ii) Advisor to the President. It is the duty of the Board of Trustees to advise the President on any University matter.

(b) Responsibility to Inform the Citizens of Pennsylvania. The Board of Trustees shall inform the citizens of the Commonwealth of Pennsylvania of the University’s performance of its role in the education of the youth of Pennsylvania.

(c) Responsibility for Development of Effective Relationships. The Board of Trustees shall assist the President in the development of effective relationships between the University and the various agencies of the Commonwealth of Pennsylvania and the United States of America which provide to the University assistance and direction.

(d) Expectations of Membership. In exercising the responsibilities of trusteeship, the Board of Trustees is guided by the expectations of membership, each of which is equally important. It is expected that each Trustee will:

(i) Understand and support the University’s mission, vision, and values;

(ii) Act in good faith at all times and in the best interests of the University in a non-partisan manner, without regard to the manner in which such Trustee was appointed or elected to the Board of Trustees;
(iii) Make the University a top philanthropic priority to the very best of one’s personal ability and fulfill on a timely basis all financial obligations and pledges of support to the University;

(iv) Prepare diligently, attend faithfully, and participate constructively in all Board of Trustees meetings and related activities by reading the agenda and supporting materials;

(v) Speak openly, freely and candidly within the Board and publicly support decisions reached by the Board; it being recognized and understood that once the Board of Trustees, as the governing body of the University, makes a decision, it can be counterproductive and potentially damaging to the University for individual Trustees to publicly criticize or attempt to subvert such decision;

(vi) Make decisions and instruct the administration collectively as the governing body of the University; it being recognized and understood that unless specifically authorized, no individual Trustee has the authority to act on his or her own on behalf of the University or the Board;

(vii) Participate regularly in events that are integral parts of the life of the University community;

(viii) Disclose promptly and fully any potential or actual conflicts of interest in accordance with the Board’s conflict of interest policies, and personally maintain exemplary ethical standards;

(ix) Refrain from requests of the President or staff for special consideration or personal prerogatives, including admissions, employment, and contracts for business;

(x) Maintain the confidentiality of confidential information without exception; it being recognized and understood that for this purpose “confidential information” includes nonpublic information concerning the University, including its finances, operations and personnel, as well as nonpublic information about internal Board discussions and dynamics;

(xi) Advocate the University’s interests, but speak for the Board or the University only when authorized to do so by the Board or the Chair; it being recognized and understood that it is important for the Board of Trustees to convey a consistent message and that, in most instances, the Chair of the Board of Trustees should serve as the spokesperson;
